FROM THE CHAIRMAN, EDITORIAL BOARD

It is my pleasure to present the Thirteenth edition (Volume 14, Number 1) of our Journal, ZJEET. The editorial board of ZJEET takes time to ensure that good publishable articles are received and provides appreciable time for external reviewers to confirm the required editorial screening standard.

The board hopes to keep the journal afloat, with quality articles that can contribute to academic research dissemination. So we invite original and quality articles from the academia and practitioners. We assure you of timely release of volumes of your reputable journal.

Thank you for your interest in ZJEET.
